Quinta do Lago, 26/09/93

To whom it may concern,

This letter is to confirm that during the period of May 1993 to October 93, the FUN SUN INTERNATIONAL fashion team performed weekly shows around our main pool area and restaurant terrace.

These shows were performed very professionally in a friendly and informal atmosphere and were greatly appreciated by our clients.

We will look forward to continuing with FUN SUN again next year.

Yours Sincerely,

Paulo Santos
