TO WHOM IT MAY CONCERN

Estepona 16th of September 2003

We herewith have the pleasure in recommending Fun Sun International Swimmwear, as a very professional company which has made weekly Fashion Shows in our Hotel during this summer 2.003 season, with a lot of success and very enjoyable for our guests.

We wish them all the success, and hopefully we will see them again during Summer 2.004 season.

Yours Sincerely
